

Homeschooling mom of four, Leslie, writes a glowing review of *Homeschooling More Than One Child* in her blog. "My goal for the year is to teach all four of these precious children," she writes. "I wonder how in the world I am going to get it all done. Of course, I am going to pray and pray and pray some more.....Where the prayers leave off is where *Home Schooling More Than One Child: A Practical Guide for Families* comes in."

Leslie continues with: "Carren Joye has put together one of the most helpful resources I've found for the home schooling family. She covers everything from deciding to home school to teaching your 12th grader."

Leslie gives an overview of the book and highlights specific tips from the book that she has used with her own children this year. To read the entire review on her blog, go to <http://luxvenit.blogspot.com/2007/07/home-schooling-more-than-one-child-by.html>
