

Alabama history is one of the course requirements in Alabama at the primary grade level. Teaching resources can be found at the websites such as those belonging to [Alabama.gov](http://Alabama.gov) .

## 1. RESOURCES

### OUTLOOK ACADEMY

Outlook Academy has designed an Alabama History curriculum primarily for homeschool families. However, their curriculum could serve the curriculum needs of primary teachers. The curriculum consists of 175 lesson plans, field trips, extra-curricular activities, and lists additional resources that could prove helpful.
